

Morris Cohen Glen & Co  
Chartered Accountants

## ABOUT THE FIRM

Morris Cohen Glen & Co, Chartered Accountants, is a progressive accounting and auditing firm servicing a broad range of clients across a number of diverse industries and professions since 1925.

Over the years we have established a reputation for excellence by placing great emphasis on working closely with clients to resolve financial, accounting and tax issues that emerge as part of normal daily business. Our experience enables us to provide services beyond the traditional accounting taxation and audit service.

We have developed a National and International network of affiliated offices.

We pride ourselves on our commitment to continuous professional development to ensure we can better meet the needs of our clients. In today's highly competitive and constantly changing environment, the right advice is critical to the success of any business.

Morris Cohen Glen & Co maintains an exceptional reputation for delivering the best possible advice, evidenced by the longstanding relationships we have developed with our clients.

Over the years the firm has merged with a number of Chartered Accounting practices and today has three directors, two consultants (both former directors) and over 20 staff. The firm's success has continued due to a combination of highly motivated and qualified directors and staff, competitive fee structures and, most importantly, our professional integrity and commitment to our clients.
